

May the Month of Mary and the Celebration of First Eucharist

May is the Month of Mary, and for our parish community here at Christ the Servant at Our Lady of Peace Church, our Blessed Mother, is as the Second Vatican Council reminded us, the

model for our lives as Christians. For our young people, our Catholic faith needs to be observable and demonstrable. If they look at Mary of Nazareth at the time of the Annunciation, they will find someone close to their age. They will find someone who is attentive to the Word of God in her life, hears it, and courageously accepts the mission entrusted to her. In the Virgin of the Magnificat they will discover the boundless joy of a young person in solidarity with the poor and the helpless. The Woman of Cana will be their model and companion at all the joyful moments of their lives; while at Calvary she will show them what it means to be a person of faith in the darkest hours of human existence.

The First Sunday of May we celebrate the First Communion for the children of our parish community. Please keep them in prayer that their life journey will be watched over and guided by Our Blessed Mother. LGaetano
