

## **Our Lady of Peace School**

### **Making Catholic Education Available, Affordable and Excellent**

The Marketing and Recruiting for Our Lady of Peace School is an awesome responsibility that we share together as a community. I am asking all our parents and grandparents of Our Lady of Peace students to aggressively help us in the marketing and recruiting of Our Lady of Peace School for 2011-2012. We need your help in spreading the Good News about Our Lady of Peace in our recruitment efforts for this coming year.

### **Offering Your Assistance can Benefit Your Family Too**

If you have a child in your family who is currently in Our Lady of Peace School K-8 you will receive a reduction in tuition of ½ toward one child for every two children that are referred by you and are registered/full-tuition paying students for this coming school year. If you are the referring agent this applies regardless of whether the two new incoming students are parishioners of Christ the Servant Parish with parishioner rate tuition or are non-parishioners with non parishioner rate. The same offer applies to new families entering our school – be the referring agent of two new students and you will receive a ½ discount on your tuition toward one child for the coming school year.

### **We are Here to Help you Recruit**

In the coming weeks, Our Lady of Peace School will send home information on a variety of methods to assist us in getting the word out about Our Lady of Peace School. These tools will also be useful to share with those families you have targeted in your recruiting efforts.
